## A Note from Mrs. Parish

Hello Parents and Guardians,

Can you believe the 4<sup>th</sup> nine weeks of school is almost here? Spring fever is upon us but it is still important to continue working on academic skills at home. Here are a few tips and ideas to help foster a love of reading at home:

- Model reading at home
- Allow your child to hold the book/turn pages as you read
- Encourage your child to "read" the pictures and talk about them
- Designate a reading time
- Allow your child to choose books to read

On Thursday, March 12<sup>th</sup> we will have our 3<sup>rd</sup> Nine Weeks PBIS Celebration. This will be an extra recess with freeze pops for those students who have not had any major infractions this nine weeks. Since we are keeping this pretty low-key, parent volunteers are not needed at this time.

Title I Tidbits:
