IMPORTANT INFO:

-We are a "nut free" school. Please be mindful of peanut allergies when making your child's lunch or sending a snack. We are asking that you do not send peanut based products with your child to school.

-All STPPS students will be issued a Chromebook once a Chromebook Usage Agreement Form has been signed and returned. A fee of \$20.00 will cover damages that may occur during the school year. This form was sent home but you can also find it on our website. You may pay the \$20.00 fee on www.mypaymentsplus.com.

A Note from Mrs. Parish

Hello Parents and Guardians,

Welcome to the beginning of school! The staff at Little Pearl has worked diligently to prepare for the year. Please be assured that the safety and health of our students is our priority. Our campus has been marked to promote social distancing and hand sanitizing stations are located throughout. All water fountains are closed but we have installed a water bottle filling station. I encourage each student to bring a water bottle this year. For those unable to do so, we have water available. Breakfast and lunch will be eaten in the cafeteria, with social distancing measures in place.

Due to safety protocols, our campus is open only to essential personnel. Current protocol dictates that parents are not allowed on campus to eat meals or walk their child to class. These measures are to ensure our campus remains as safe as possible.

Please be patient with our carline as it is expected to be longer than normal. We are asking for a 24 hour written notice of a transportation change which will allow us to make sure a bus can accommodate the number of students. All car riders must have a Little Pearl car tag for pick up. If you need a car tag, send a note to your child's teacher and we will make one for you.

If you have not already done so, please go to www.stpsb.org and fill out a free and reduced lunch application for your child. Payment is expected for any charges made prior to being accepted to the program. Contact Susan Carswell, cafeteria manager, at (985) 863-6325 if you have any questions.

We strive to educate and empower our students for future success. This can be accomplished by building a positive environment where students thrive, supporting the needs of our students and maintaining strong partnerships with all stakeholders.

Please visit our school webpage or an informational video on the Every Student Succeeds Act (ESSA) and to view our School Improvement Plan (SIP).

Additional information concerning our school year can be found on our school webpage, www.littlepearlelementary.stpsb.org. As always, please feel free to call/email with any questions or concerns you may have.
