## A Note from Mrs. Parish

Hello Parents and Guardians,

We are in the 3<sup>rd</sup> nine weeks of school. Our students are engaged in many learning activities and are participating in mid-year assessments. Kindergarten parents should login to the Student Progress Center to view your child's grades. Please reach out to your child's teacher about any questions you may have.

STPPS is temporarily limiting guests to only essential visitors on campuses and adjusting meal services to provide additional spacing between students. Due to the rise in COVID-19 cases, guests are unable to eat with the students at this time. As STPPS monitors the situation, we will update the policy as appropriate.

Please remember that all snacks sent to school must be individually wrapped. This includes any treats that are sent for the class to enjoy. Don't hesitate to contact the office or your child's teacher if you have any questions.

The Character Word for February is: honesty. Honesty is defined as being trustworthy and sincere no matter what the outcome may be. We will send home our monthly character word home-connect paper for you and your child to complete together. They are displayed at school under our "kindness tree" for all to see. The students who participate will receive a sweet treat!

The Parent Family Engagement Activity this month will be our home connect activity using the book *Beads on Trees*. The focus will be writing and math. We will provide families a take-home packet to reinforce counting, graphing, and writing skills. Unfortunately, families will not be able to attend this PFE in person due to the campus being open to essential visitors only at this time. We are hopeful this is a temporary measure. More information will come home soon about this event.

We are celebrating 2.22.2022 by allowing our students to wear tutus and/or ties with their school uniforms. This is completely voluntary and not at all a requirement. If you have any questions, please reach out to the school office.
