school. Please be
mindful of peanut
allergies when making
your child's lunch or
sending a snack. We are
asking that you do not
send peanut based
products with your child
to school.

A Note from Mrs. Parish

Hello Parents and Guardians,

We are moving along through the month of September and getting aftermath of Hurricane Ida. We are rescheduling our Virtual Open House to Thursday, September 30th at 6:00 pm. A zoom link will be sent to all parents. We know that communication is a major factor in student success, so please don't hesitate to reach out to your child's teacher with any questions or concerns.

We are adding eleven instructional minutes to the end of each school day due to Hurricane Ida. This adjustment allows us to make up the time lost without disrupting our school calendar. School begins at the same time 8:10 am but will now end at 3:32 pm. This will continue for the remainder of the 2021-2022 school year.

Masks are still required for all adults and Kindergarten students at school. Only essential personnel are allowed on campus at this time. We do have kid masks available for those students who forget theirs at home. Water fountains are closed currently, but we do have water station for students to fill their water bottles. We also have bottled water for students who do not bring their own water bottles.

Breakfast and lunch menus are posted on Little Pearl's website. All menus are subject to change. If you have not already done so, please go to www.stpsb.org and fill out a free and reduced lunch application for your child. Payment is expected for any charges made prior to being accepted to the program. Contact Susan Carswell, cafeteria manager, at (985) 863-6325 if you have any questions.

All STPPS students will be issued a Chromebook once a Chromebook Usage Agreement Form has been signed and returned. A fee of \$20.00 will cover damages that may occur during the school year. This form was sent home but you can also find it on our website. You may pay the \$20.00 fee on www.mypaymentsplus.com.

We strive to educate and empower our students for future success. This can be accomplished by building a positive environment where students thrive, supporting the needs of our students and maintaining strong partnerships with all stakeholders.

Please visit our school webpage or an informational video on the Every Student Succeeds Act (ESSA) and to view our School Improvement Plan (SIP).

Additional information concerning our school year can be found on our school webpage, www.littlepearlelementary.stpsb.org. As always, please feel free to call/email with any questions or concerns you may have.

Sabrina DesHotel Parish,

Principal
